**Catherine, Teresa, and Thérèse:
A Day of Reflection with Women Doctors of
the Church**

Sister Thérèse Haydel, OSB
Sister Elisabeth Meadows, OSB

Among the saints, there are a few whose teaching and example hold such value that they have been proclaimed “Doctors of the Church.” Of these holy ones, only three are women. Each of these women lived during challenging times in both Church and society, yet their commitment to Christ and his Church allowed them to be beacons of light in times of darkness and chaos. Join us as we ponder the lives and teachings of Sts. Catherine of Siena, Teresa of Avila, and Thérèse of Lisieux, women who remain companions in faith and prayer in every time and circumstance.
